Have you heard this before? We on the Staff Team who preach have been very delighted but rather caught out by the high proportion of people coming to the untied evening services who have already been to an earlier service in the day - and heard the sermon! So, as soon as it can be worked into the system, we will try and make sure that it is a different sermon in the evening wherever possible! So do keep coming! Alastair

Calling all gardeners (cc), we are desperate for greenery to make the posies to give out on Mothering Sunday on the 14th March. As many people to help on that day (of all ages) would be great. Do contact me on 790520 if you can help as we'd love to make enough posies for every lady that attends the 8.30 and 10am service that day. Many thanks and hoping to hear from you, Beverley
